

CDAWG 2000

Mark your calendars now and plan to attend the next meeting of
the California Desert Air Working Group:

September 13-15, 2000

Laughlin, Nevada

For more information, call (760) 245-1661, Ext. 5538

CDAWG provides a forum for exchange of information on
air quality and regulation issues facing Southern California
deserts.

You Can't Afford to miss this meeting!!
